Terrie,

Will do an I've also copied it over to John at the USGS to review as well.

Thanks,

Subject: for review - TASC summary of USGS report

Hi Brad and Ben,

The WLL CAG technical committee asked us to summarize the USGS groundwater report. Attached is our draft summary. If you will please review it for accuracy, we would appreciate it. We need to give it the final version to the technical committee on March 24.

Thank you.

Terrie
